4 December 1981

MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Chief, Interdepartmental Affairs Staff, OPP
SUBJECT: Meeting with Senator Quayle

25X1

1. The attached material is for your background reading and possible use during your 8 December meeting with Senator Quayle.

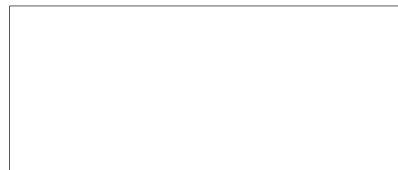

25X1

2. In preparation for your originally scheduled 3 December meeting, Doug had tasked NFAC to provide talking points on CBW and NATO (see attached memo). When we found out that there was more time, I asked NFAC to provide additional material for your background reading.

25X1

3. You may find the material to be too much, depending upon how closely you have been following these issues. Please let me know if there is anything else you would like to have.
